

ENVIRONMENTAL AND ENERGY POLICY

The commitment the Theatre's Direction has taken in relation with the environment and the energy efficiency is manifested in that Policy. This Policy is transmitted to all of the employee and to all of the stakeholders, and is available for whom is interested.

The Theatre is committed to develop its activity with the maximum respect to the environment and the energy efficiency, complying with the current legislation and other volunteer requirements, and using all the media at its disposal to achieve continuous improvement in environmental and energy management of all the activities, facilities and services in the Gran Teatre del Liceu.

Gran Teatre del Liceu was the first theatre in Spain to obtain **ISO14.001** / **EMAS** and **ISO 50.001** certifications, and the first theatre in Catalonia to obtain the **Distintiu de Garantia de Qualitat Ambiental** (DGQA; Environmental quality guarantee distinction).

The principles and intentions of the Environmental and Energy Policy of the Gran Teatre del Liceu are:

- CONTROL AND TO IMPROVE ALL THE ENVIRONMENTAL IMPACTS AND THE ENERGY CONSUMPTIONS FROM THE ACTIVITY, IN ORDER TO PROTECT THE ENVIRONMENT.
- TAKE ACTIONS TO REDUCE THE CONSUMPTION OF NATURAL RESOURCES SUCH AS WATER, ELECTRICITY, NATURAL GAS AND DIESEL.
- PROMOTE THE REUSE OF MATERIALS, AND THE USE OF DIGITAL MEDIA INSTEAD OF PAPER SUPPORT.
- MINIMIZE WASTE AND MANAGE THEM PROPERLY.
- PROVIDE ENVIRONMENTAL AND ENERGY EDUCATION TO THE EMPLOYEES IN ORDER TO REACH THEIR INVOLVEMENT IN THE PROJECT AND TO ACCOMPLISH ITS OBJECTIVES.
- PROMOTE THE INFORMATION AND THE ENVIRONMENTAL AND ENERGY AWARENESS OF THE EXTERNAL PEOPLE INVOLVED IN ANY WAY WITH LICEU: CUSTOMERS, SUPPLIERS, ETC.
- COMMITMENT TO ENSURE AVAILABILITY OF INFORMATION.
- SUPPORT TO THE ACQUISITION OF PRODUCTS AND SERVICES RESPECTFUL WITH ENVIRONMENT AND ENERGETICALLY EFFICIENT AND DESIGN SUPPORT TO IMPROVE ENERGY DEVELOPMENT.

With all of that, Gran Teatre del Liceu wants to contribute to the environment improvement, on benefit of all the society so that they can enjoy it.
